Power + Port™ – HDTV Power Solution Components

NEW!

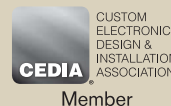

Use MIDLITE's® innovative patent pending Power+Port™ — HDTV Power Solution, 125V, 15 amp to install power and low voltage cables behind your flat panel TV and audio and video devices. The modules are sold separately and can be pieced together to create several configurations. The Power+Port™ includes the 2GESR-5251 Recessed Receptacle, 2GESR-5266 Recessed Plug, and 2GESP-GR10 which are designed with patented keyed-tab features that hold both halves together and allow separate installation of each half.

- Provides an affordable power solution for wall mounted flat panel TVs
- Perfect for retro-fit construction projects
- Includes 5 year warranty
- Conforms to UL STD 514D and Certified CSA 22.2 42.1-00 Meets National Electric Code Requirements
- Can be used with remote Surge/Power Conditioner to HDTV.
- Available in White, Light Almond, Ivory, and Black
